Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Plans and Policy Staff

DATE: 22 June 1955

FROM : Chief, Operations School

SUBJECT: Weekly Activity Report No. 25:  
14-21 June 1955

## I. SIGNIFICANT ITEMS

Nothing to report

## II. OTHER ITEMS

a. On 16 June C/OS discussed with [ ] the planned revision of the Operations Support Course. It was agreed that the Operations School would go ahead independently with a revision of the operations section of the course, bringing [ ] into the discussion after a preliminary outline paralleling the Operations Course [ ] had been prepared. The exact nature of [ ] participation in the operations section of the course was left for future determination.

b. On 20 June [redacted] SR, broached with C/OS the possible availability within OTR of the terrain and instructors for providing field action training to a group of agents to be trained for wartime use. The [redacted] project he discussed was apparently a pilot project which, if successful, would be expanded [redacted] into a substantial program of current training for agent personnel to be available in the event of war. It was suggested to [redacted] that after division plans had reached the point he prepare a memorandum to OTR outlining the project and the requirements to be levied on OTR. If this approach to the development of wartime agent efforts is pursued by the divisions it will at some point raise the question of establishing a fairly extensive domestic agent training facility.

c. Personnel

(1) [ ] has been assigned to work with the Overseas Training Branch on the preparation of a course symposium on Communist Party penetration from an internal security point of view. [ ] will take an assessment on 28 June, and in the event of a successful performance will be transferred from WE to OTR.
